About Us

SSP Law Firm is one of the legal firms in Indonesia, founded and led by Dr. Soehartono Soemarto, S.H., M.Hum, consistently striving to meet the legal needs of its clients since 1981.

With over 40 years of practice, we remain committed to upholding integrity and high ethical standards in resolving legal matters for our clients, both through non-litigation and litigation approaches. To maximize and optimize our legal services, we have extensive experience collaborating with legal scholars and experts, as well as professionals from various legal disciplines such as accountants, tax consultants, intellectual property consultants, and others. Our goal is to ensure that every step of our legal solutions is oriented towards comprehensive and effective resolutions.

02

Our Mission

Serving clients to achieve justice in accordance with the rule of law and upholding professional ethics in performing our duties.

Our Vision

Ensuring that each client obtains the expected justice and legal certainty in the issues they are facing.

Legality

03

SSP Law Firm is a legal entity in the form of a Civil Partnership (Maatschap), as stipulated in Deed Number 2 dated October 1, 2017, regarding the Establishment Deed of the Civil Partnership (Fa) Soehartono and Partners, which was made before Notary Angga Kusumariandini Angga Nurindiyani, SH., M.Kn, domiciled in Malang City.

Based on Deed Number 2 dated October 1, 2017, regarding the Establishment Deed of the Civil Partnership (Fa) Soehartono and Partners, the Ministry of Law and Human Rights, Directorate General of General Legal Administration, on February 25, 2019, has registered SSP Law Firm as a legal entity.

Our Practice Area

To maximize and optimize our legal services, we have extensive experience collaborating with legal academics as well as professionals from various legal-related fields, such as accountants, tax consultants, intellectual property consultants, and others. The aim of these collaborations is to ensure that every legal resolution we provide is oriented towards comprehensive solutions.
